SOCIAL MEDIA MANAGER DIGITAL CONTENT CREATOR VISUAL DESIGNER

CREATIVE PORTFOLIO

ABOUT

Hi, I'm so happy you're here! I've been a digital content creator for social media since 2014 when I started marketing and storytelling projects with international non-profits. After working at Disney World (AKA, the greatest storytelling company in the world), I decided to launch my content creation business in 2020. I went back to school for UX/UI Design in 2022, which propelled my passion for visual design through digital content.

FEATURED **PROJECT:**

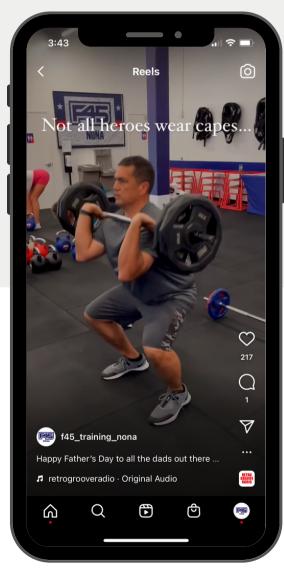

I worked for several F45 Training gyms in the Eastern US. The gym ownership group came to me and asked for more engaging posts on their Instagram and Facebook accounts. In 2022, I was able to boost engagement rates by up to 175% on multiple accounts. Below are links to featured videos that showcase some of my work.

As part of my design job with F45 Training, I designed marketing collateral for various events, publications, and public signage. These designs were created using Figma. They were used to attract new gym members and increase memberships.

KRISTEN'S PERSONAL WORK

Since traveling is a large part of my life, I focus on creating travel related content on my personal accounts when I can.

Being fully transparent, I had built a solid community of over 5000 people on Instagram and Facebook, but in April 2022 my accounts got hacked and totally deactivated. The sad reality of work in social media is that anything could happen!

I gained a healthier mindset towards social media through it all, though. I'm happy to say that I'm now rebuilding my community on what used to be my business Instagram. you can find my account here: <u>@kristen.sturdivant</u>
